## STORYWALK®

A StoryWalk is a book that has been dismembered, laminated and presented page by page along an outdoor path to promote reading and exercise. StoryWalk provides an innovative and delightful way for children (and adults) to enjoy reading and the outdoors at the same time. “The StoryWalk Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Vermont Bicycle & Pedestrian Coalition and the Kellogg Hubbard Library”.

Our StoryWalk is on the left hand side of the building, (when facing the front of the building) and up on the grass, along the tree line. It will be open to the public at all time, for your enjoyment and pleasure.
